

Use YouTube to Grow Your Business

Every day, millions of people come to YouTube and watch over a billion hours of video. They come to be informed, inspired, or just plain delighted. You can use YouTube to build your brand by connecting your message with engaged watchers.

Customize your channel by adding the following:

1

People watch

More than 2 billion monthly users watch 1 billion hours of video per day.¹

2

People discover

85% of viewers turn to YouTube for fresh content.²

3

People engage

70% of shoppers say they purchased a brand after seeing it on YouTube.³

How to create a channel

1. Visit YouTube.com and sign in.
2. Click the circle icon at the top right to reveal a drop down menu. Click “Create a channel.”
3. Enter a name for your new channel, then click “Create Channel.”
4. You will see the channel home screen. From here, click “Customize Channel” to access YouTube Studio.
5. Use YouTube Studio to customize layout, create and manage playlists, add subtitles, see analytics, and more.

How to upload a video

1. Click the video camera icon at the top right to reveal a drop down menu. Click “Upload video.”
2. Drag and drop video files to upload or click “Select files.”
3. Enter video details, elements, run video checks, and set visibility.
4. Ready to go live? Publish and share your video.
