CAMDEN, SOUTH CAROLINA  29020

Separate sealed BIDS for the construction of the McRae Road Pump Station Upgrade will be received by the City of Camden at Camden City Hall Training Room, 1000 Lyttleton Street, Camden, South Carolina, 29020 until 2 p.m., local time on Thursday, February 20, 2020 at which time the BIDS received will be publicly opened and read aloud.

The Project consists of the demolition and removal of two existing wetwell mounted pumps with associated suction and discharge piping at the McRae Road Pump Station and providing two new submersible wastewater pumps rated for approximately 220 gpm within the existing wetwell. Also included is a new valve vault, pump control panel, bypass pumping, installation of new discharge piping, emergency bypass connection, existing forcemain tie-in, electrical, SCADA connections, fencing, protective coatings and all other activities incidental to the completion of this project as shown on the Drawings and specified.

Any contract or contracts awarded under this Advertisement for Bids will be funded by the City of Camden. The contract will be subject to all applicable federal, state and local rules, regulations, laws, and orders. Bidders are encouraged to visit the McRae Road Pump Station to familiarize themselves with the project prior to bidding. For site access contact Mr. Ray Peterson at (803) 425-6045. A Pre-Bid Conference will not be held for this project. Engineer will transmit (through QUESTCDN) to all prospective Bidders of record such Addenda as Engineer considers necessary in response to questions during the bidding period. Oral statements may not be relied upon and will not be binding or legally effective.

A Bid Bond in the amount of five percent (5%) will be required. A Performance Bond and a Payment Bond, each in the amount of one hundred percent (100%) of the contract, must be furnished by the successful bidder upon award of the contract.

Prospective Bidders must purchase contract documents through Quest Construction Data Network (QUESTCDN). This can be done through the Design South Website: www.designsouthprofessionals.com by selecting this project from the “Project Bid Info” link under the RESOURCES tab or on the QUESTCDN website (www.questcdn.com). QUESTCDN is a web-based platform for construction project advertisements, bid documents distribution and plan holder lists. Prospective bidders will need the seven-digit QUESTCDN project number 6714666 to locate the job on the QUESTCDN website search page. There is a $50.00 nonrefundable cost for downloading the contract documents in a pdf format. Bids will not be accepted from any prospective bidder who has not purchased contract documents through QUESTCDN. In addition, a set of Contract Documents may be viewed at the office of the Engineer, Three Linwa Boulevard, Anderson, South Carolina, 29621 and the Owner at Public Works and Utilities, 1000 Lyttleton Street, Camden, South Carolina 29020.

The Owner reserves the right to reject any or all bids as provided in Section C-200, Instructions to Bidders, and to waive any informalities and technicalities in the bid. Any bid may be withdrawn prior to the above scheduled time for the opening of bids or authorized postponement thereof. Any bid received after the time and date specified will not be considered. No Bidder may withdraw a bid within ninety (90) days after the actual date of bid opening.
